CHAPTER 233

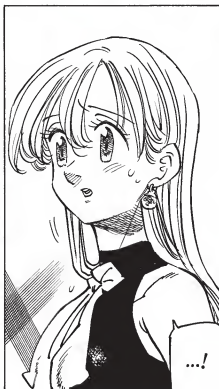

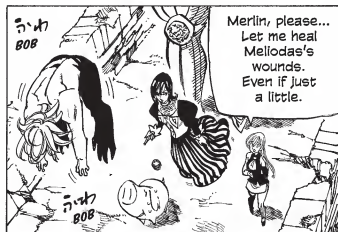

NAKABA SUZUKI

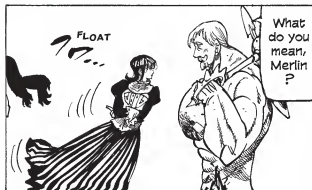

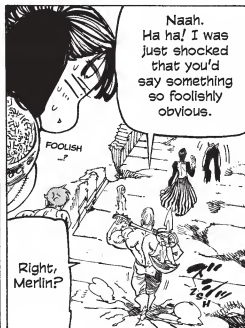

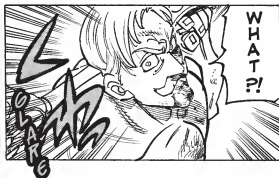

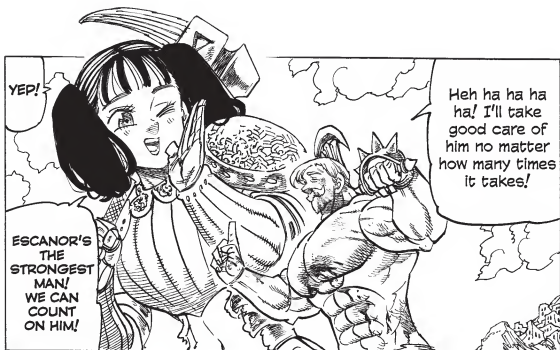

THE SEVEN DEADLY SINS

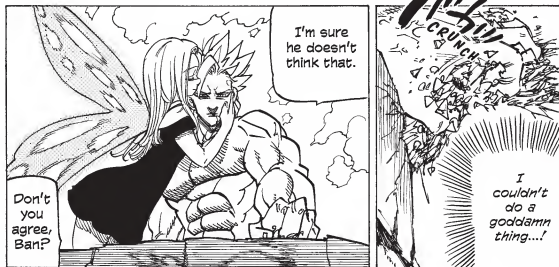

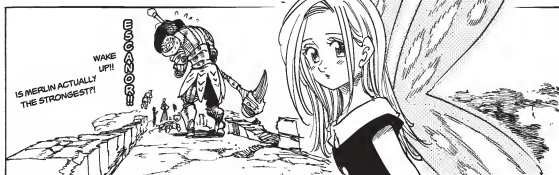

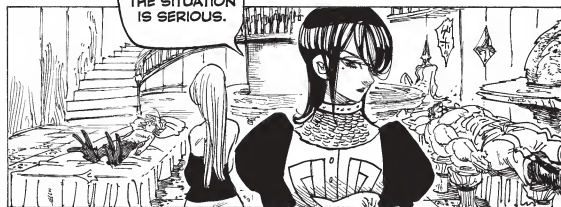

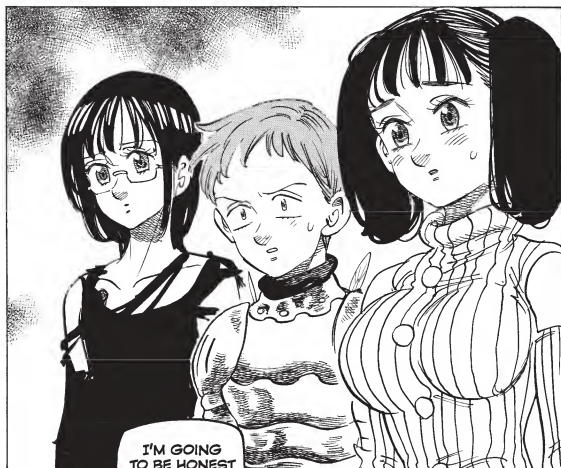

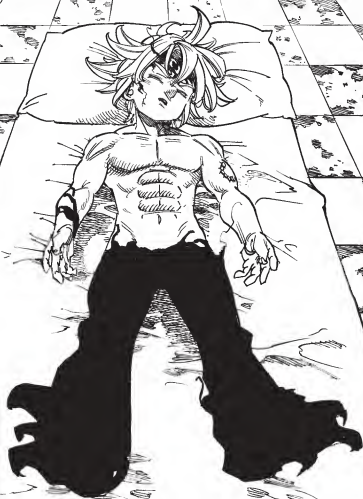

"SUN-
SHINE"
IS TOO
POWER-
FUL A
MAGIC.

EVEN
IF IT
WAS TO
STOP THE
CAPTAIN,
IT SEEMS
HE USED
TOO MUCH
OF HIS
STRENGTH.

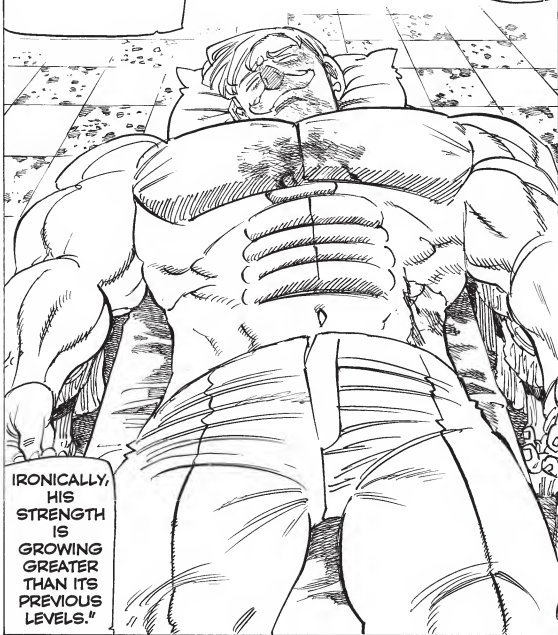

FRANKLY,
ESCANOR
HAS TAKEN
MORE
SERIOUS
DAMAGE
THAN THE
CAPTAIN
DID.

ALL
THE STRAIN
THAT HAD
BEEN AC-
CUMULAT-
ING OVER
THE YEARS
SUDDENLY
RELEASED
IN ONE GO.

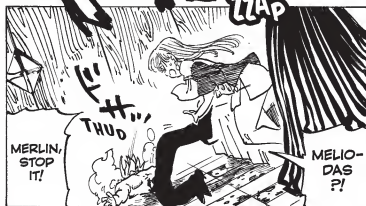

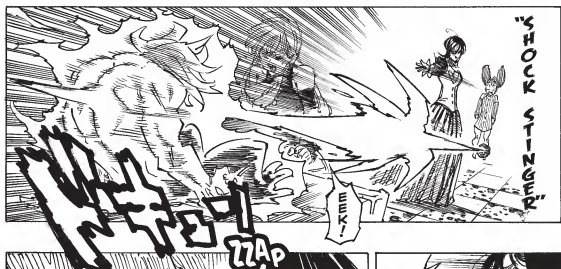

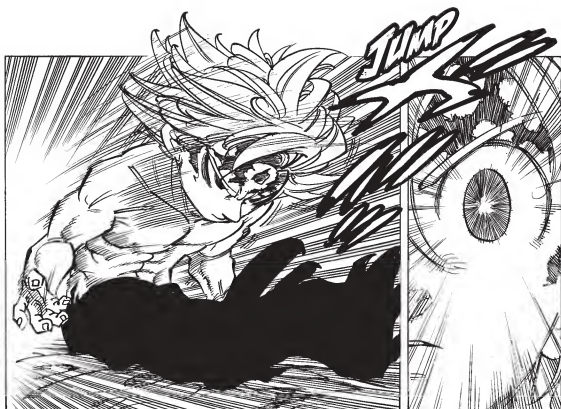

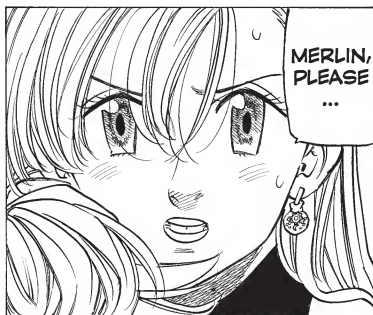

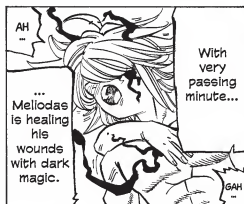

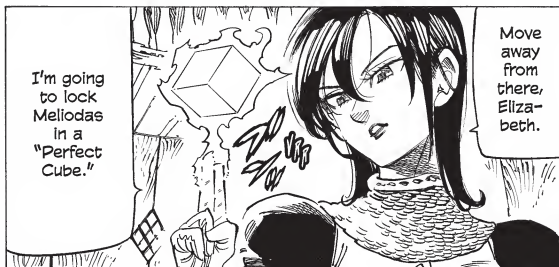

HAVING HAD
HIS EMOTIONS
ROBBED OF HIM
BY THE DEMON
LORD, HE'S
REVERTING
INTO THE OLD
MELIODAS.

BUT
THE
CAP-
TAIN'S
IN FAR
MORE
DANGER.

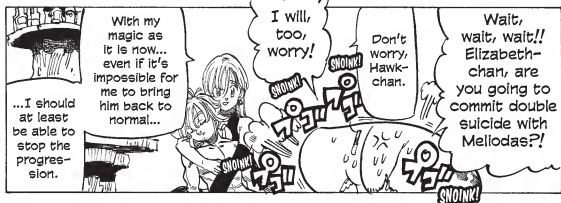

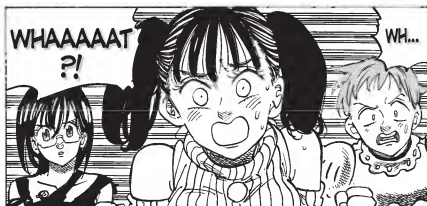

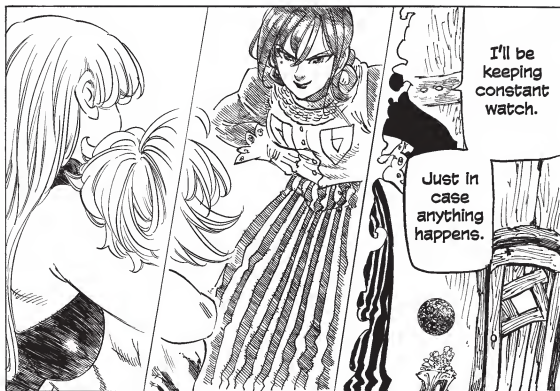

IRONICALLY,
HIS
STRENGTH
IS
GROWING
GREATER
THAN ITS
PREVIOUS
LEVELS."

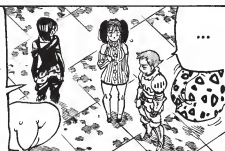

I'll be keeping constant watch.

Just in case anything happens.

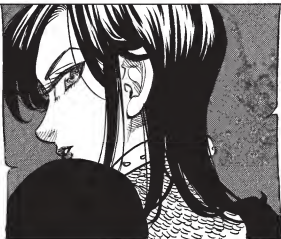

What are we supposed to do now?

But... first we lose the captain and Escanor. And now neither Merlin nor Elizabeth will be coming to the front line with us.

...

It's The Seven Deadly Sins' duty to free Camelot from The Ten Commandments' control and release the people of Liones who have been taken captive.

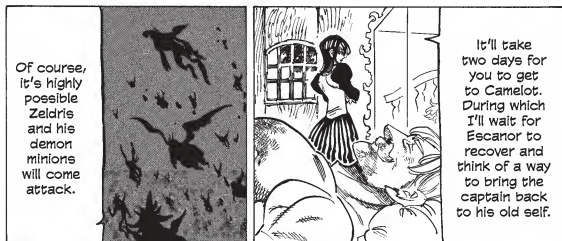

Head to Camelot as planned.

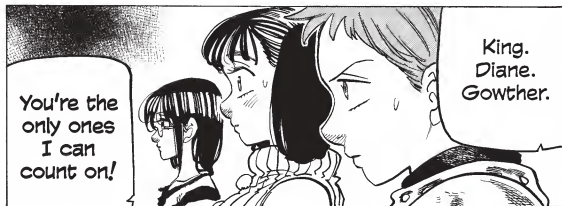

There's
no
time to
dawdle!

But most
important of
all, now that
Elizabeth has
regained her
memories of
her previous
lives, we only
have three
days.

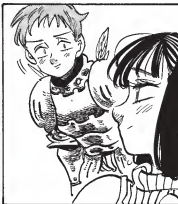

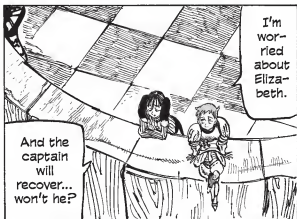

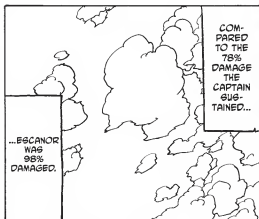

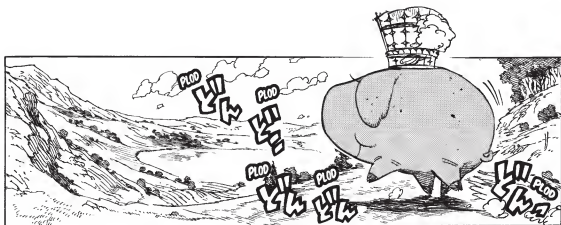

Of course,
it's highly
possible
Zeldris
and his
demon
minions
will come
attack.

It'll take
two days for
you to get
to Camelot.
During which
I'll wait for
Escanor to
recover and
think of a way
to bring the
captain back
to his old self.

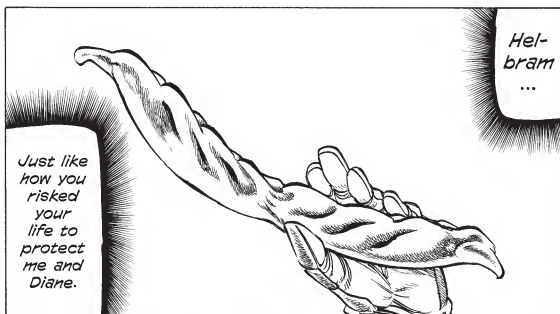

You're the
only ones
I can
count on!

King.
Diane.
Gowther.

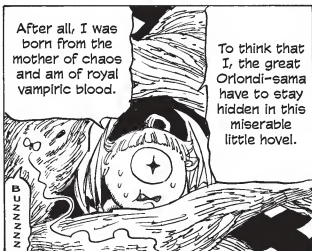

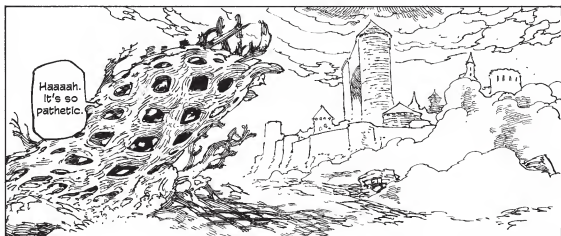

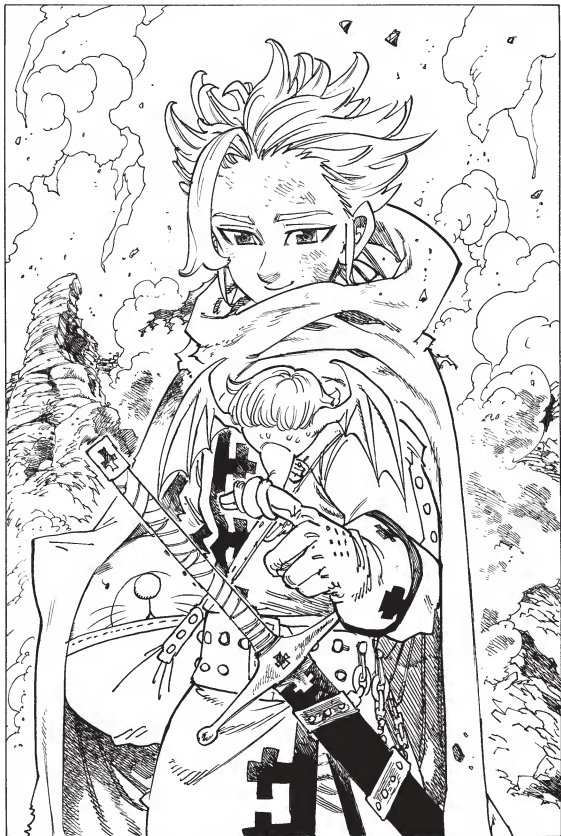

No matter what, we're going to protect everyone to the very end!

Just like how you risked your life to protect me and Diane.
